ST BARNABAS C OF E PRIMARY SCHOOL

Best Value Statement

"We encourage one another and build each other up, to be our best selves."

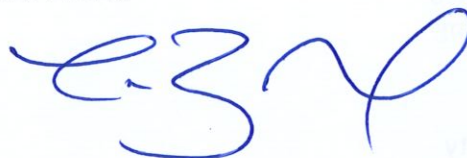

Proposed by: Melanie Bourne

Date Proposed: 29th March 2023

Date accepted: 29th March 2023

Review Date: Spring term 2026

Signed by Chair of Governors:

BEST VALUE STATEMENT

Introduction

The Governing Body is accountable for the way in which the school's resources are allocated to meet the objectives set out in the school's development plans. Governors need to secure the best possible outcome for pupils, in the most efficient and effective way, at a reasonable cost. This will lead to continuous improvement in the school's achievements and services.

What Is Best Value?

Governors will apply the four principles of *best value*:

- **Challenge** - Is the school's performance high enough? Why and how is a service provided? Do we still need it? Can it be delivered differently? What do parents want?
- **Compare** - How does the school's pupil performance and financial performance compare with all schools? How does it compare with LA schools? How does it compare with similar schools?
- **Consult** - How does the school seek the views of stakeholders about the services the school provides?
- **Compete** - How does the school secure efficient and effective services? Are services of appropriate quality / Value for Money?

The Governors' Approach

The Governors and Senior Leaders will apply the principles of best value when making decisions about:

- the allocation of resources to best promote the aims and values of the school.
- the targeting of resources to best improve standards and the quality of provision.
- the use of resources to best support the various educational needs of all pupils.

Governors and Senior Leaders will:

- make comparisons with other / similar schools using data provided by the LA and the Government, e.g. RAISE, quality of teaching & learning, levels of expenditure;
- challenge proposals, examining them for effectiveness, efficiency, and cost, e.g. setting of annual pupil achievement targets;
- require suppliers to compete on grounds of cost, and quality / suitability of services / products/ backup, e.g. provision of computer suite, redecoration;
- consult individuals and organisations on quality / suitability of service we provide to parents and pupils, and services we receive from providers.

This will apply in particular to;

- staffing
- use of premises
- use of resources
- quality of teaching
- quality of learning
- purchasing
- pupil welfare
- health and safety

Governors and Senior Leaders will not waste time and resources:

- on investigating minor areas where few improvements can be achieved
- to make minor savings in costs
- by seeking quotes for minor supplies and services.

The pursuit of minor improvements on savings is not cost effective if the administration involves substantial time or costs. Time wasted on minor improvements or savings can also distract management from more important or valuable areas.

Staffing

Governors will take a strategic view on staffing (i.e. overall numbers); Senior Leaders will deploy staff to provide best value in terms of quality of teaching, quality of learning, adult-pupil ratio, and curriculum management.

Use of Premises

Governors and Senior Leaders will consider the allocation and use of teaching areas, support areas and communal areas, to provide the best environment for teaching & learning, for support services, and for communal access to central resources, e.g. the library.

Use of Resources

Governors and Senior Leaders will deploy sufficient equipment, materials and services to pupils and staff which support quality of teaching and quality of learning.

Teaching

Governors and Senior Leaders will review the quality of curriculum provision and quality of teaching to provide parents and pupils with:

- a curriculum which meets the requirements of the National Curriculum and the needs of pupils;
- Teaching which builds on previous learning and has high expectations of children's achievement.

Learning

Senior Leaders will review the quality of children's learning, by cohort, class and group, to provide teaching which enables children to achieve nationally expected progress, e.g. setting of annual pupil achievement targets. Leaders will deliver feedback to Governors ensuring the anonymity of children and staff.

Purchasing

Governors and Senior Leaders will develop procedures for assessing need and obtaining goods and services that provide "best value" in terms of suitability, efficiency, time, and cost. Measures already in place include:

- competitive tendering procedures;
- procedures for accepting "best value" quotes, which are not necessarily the cheapest (e.g. suitability for purpose and quality of workmanship);
- procedures which minimise office time by the purchase of goods or services under £1,000 direct from known, reliable suppliers (e.g. stationery and small equipment).

Pupils' welfare

Governors and Senior Leaders will review the quality of the school environment and the school ethos, in order to provide a supportive environment conducive to learning and recreation.

Health & Safety

Governors and Senior Leaders will review the quality of the school environment and equipment, carrying out risk assessments, where appropriate, in order to provide a safe working environment for pupils, staff and visitors.

Monitoring

These areas will be monitored for best value by:

1. In-house monitoring by the Head Teacher and Phase Leaders, e.g. classroom practice, work sampling
2. Termly target setting meetings between the Head Teacher and Phase Leaders
3. Annual Performance Management
4. Annual Budget Planning
5. Head Teacher's monthly financial review
6. Visits by the School's Improvement Partner
7. Visits by the Fioretti Trust Internal Auditors
8. Visits by External Auditors employed by Fioretti Trust
9. Analysis of school pupil performance data, e.g. SATs results, standardised test results, 11+ results against all schools, LA schools, similar national schools
10. Analysis of LA pupil performance data
11. Analysis of financial benchmarking data for all schools, LA Schools or similar sized schools
12. Analysis of DCSF pupil performance data, e.g. RAISE
13. Ofsted Inspection reports
14. Governors at Full Governing Body meetings
15. Fioretti Trust Board meetings
