

# YEAR 1 NEWSLETTER

✧ AUTUMN TERM 2025 ✧

## WELCOME BACK!

Welcome to Year 1!  
We've had a fantastic start to the year, and we're really excited about all the new learning ahead.

## ATTENDANCE

For your child to get the best out of school and maximise their learning, please make sure your child is on time and comes to school every day.  
School starts at 8.45am.

## 1 English

During English lessons, we will be working on our sentence writing skills. We will ensure our sentences start with capital letters and end with full stops. We will also use finger spaces and apply our phonic knowledge.

## 2 Maths

In Maths, we will be learning about place value within 10. We will be grouping objects of 10 in different ways to help us learn our number bonds. We will be learning to recognise numbers as words and count on from any number.

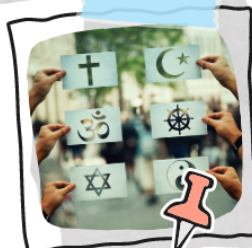

## 3 Science

Our Science learning will focus on seasonal changes and weather. We will observe changes across the four seasons, observe and describe weather associated with the seasons and how day length varies.

## 4 RE

We will be focusing on Christianity and thinking about the question, 'Why is Jesus' birth so important to Christians?' We will be learning about Advent and Christmas and why they are important events in the Christian calendar.

## 5 Computing

In Computing, we will be learning what technology is and identifying it around us and in the classroom.

## 6 History

In History, we will be studying the various life stages from youth to old age, including significant life events like birthdays. In Geography we will be learning all about continents and oceans/countries and capital cities of the United Kingdom.

## 7 PE

During the topic of multi-skills, we will work on agility, balance and coordination through a mixture of different sports.

## KEEPING IN TOUCH

Please ensure you keep class teachers up to date with any information or changes they need to be aware of.

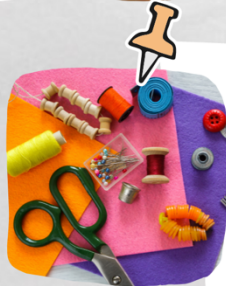

## 8 Music

We will be taking part in music lessons provided by Rock Steady. We will be learning about rhythm, beat and different instruments.

## 10 Art

During Art lessons, our focus artist will be Karen Lederer. We will be experimenting with print making and learning lots of techniques to create our own print.

## 9 PSHE

PSHE will explore the concept of belonging in the classroom and teamwork. We will examine our responsibilities in class and identify our core values so we can be our best selves.

## 11 DT

In D&T, we will be learning about how we can make pictures move using different types of sliders and we will then make our own.

# Autumn Term Challenge

Your challenge this term: Read your reading book with an adult five times a week. Log your reading on boomreader.
