

# YEAR 3 NEWSLETTER

Summer 2 2026

## ATTENDANCE

For your child to get the best out of school and maximise their learning, please make sure your child is on time and comes to school every day. School starts at 8.50am.

## WELCOME BACK!

Welcome back to our last half term of year 3! We are looking forward to all that this half term has to offer, and we have appreciated your support so far.

## 1 Maths

In math's this half term we will be learning how to tell the time and how to use time. We will look at shape, making 3D shapes and vertical and parallel lines. We will learn about graphs, bar charts and two way tables

## 1 English

In our reading lessons this half term we will be focusing on how we can compare and describe emotions through poetry. Our book will be The Magician's Nephew

In English we will be learning how to write formally and how to use specific vocabulary to complain.

## 3 Science

We will learn about light, how we see it, how it is made naturally and how we can source it.

## 4 RE

In RE we will be consolidating our work on the Sikh religion, the teachings of the Guru's and how they help move them from darkness to light

## 5 Computing

We are programming in computing, learning how to create and event and an action in sequence

## 6 History

In history we are learning about the Romans and the impact they had on Britain.

## KEEPING IN TOUCH

We are having a big push on our end of year target of knowing our 2,3,4,5,6,8 and 10 x tables ready for Year 4. Practising at home will be very helpful!

## 7 PE

We will be perfecting our athletic skills in PE this half term, on the run up to sports day we will be sprinting, long jumping balancing and working on our stamina with the daily mile.

## 8 Music

This term, we will follow the Rock Steady lessons, learning new musical vocabulary and the basics of reading music. We will also learn about some musical legends!

## 10 Art

In this block, pupils will continue to experiment by using a range of materials, including paint, to create different marks. They will be learning techniques to create negative space using paint and explore the contrast between foreground and background.

## 9 PSHE

In this block we will be focussing on pupil's character strengths. We will be learning all about how we use them in our everyday life and how we can get better at using them. We will also learn about sun safety, water safety and road safety.

## 11 DT

In this block, pupils will investigate how the shape and features of a bridge can affect how strong it is. They will identify different types of bridges and the structural changes that engineers and architects make to increase the stability of structures.

# Summer Term Challenge

To learn all our times tables 2,3,4,5,6,7,8,9 and 11 please and to READ, READ READ!!
